

Safe Zone Training

GSAFE's Safe Zone trainings are fun, fast-paced, and informative. Educators will learn and practice skills to directly support lesbian, gay, bisexual, transgender, and questioning (LGBTQ) youth in a variety of situations.

“Every school should have this training for staff. It was a great session with time for information sharing and problem solving. The emphasis on practicing skills built my confidence to address and support ALL students.”

This 2-3 hour workshop is perfect for staff in-service and professional development time. This training receives funding support from the Wisconsin State Department of Public Instruction and is available for a limited time for FREE or at low cost to most Wisconsin public schools.

“The comfortable tone and climate were key for opening up difficult conversations. I loved the energy and the chance to practice. GSAFE rocked it!”

GSAFE is now scheduling for fall 2012. Consider booking us for back-to-school training for your staff.

Let us help your staff start the school year off ready to support LGBTQ youth!

Please email brianj@gsafewi.org for more information!

- Increase confidence in responding to questions about LGBTQ issues.
- Learn how to directly address anti-LGBTQ comments.
- Know how to make your classroom safe and inclusive for LGBTQ youth.
- Gain tips for responding to push back from students, staff, parents, and community members.
- And more!
