Year-Round Programs

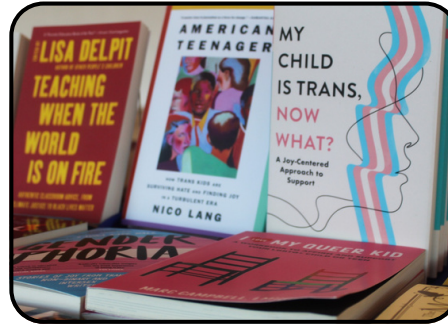

For Youth

Directly support K-12 students & young adults statewide. Pictured here is our Youth Transformation Action Team (YTAT) in action! In this year-long, paid commitment to direct action, YTAT equips leaders between 16 & 21 years old with culturally competent peer-to-peer campaign development experience.

Additional programs include TrueYou, a mentorship group for transgender young women & nonbinary young adults, and our Youth Empowerment for Leadership & Liberation (Y.E.L.L.) Council. Launched in collaboration with SunSeeker MKE, Y.E.L.L. provides an opportunity for justice system-impacted youth to envision alternatives to incarceration.

For Families & Educators

Provide essential support to families, caregivers, & educators of LGBTQ+ youth. For families, key initiatives include our TransParent Support Group & advocacy efforts like school board organizing.

Educators & school staff benefit from our Summer Leadership Institute for Guidance & Belonging. This opportunity includes access to our ongoing professional learning community facilitated in collaboration with the McQuillan Research Team at UW-Madison's Educational Leadership & Policy Analysis School.

Annual Events

Celebration of Leadership (COL)

Honor the activism of 4 outstanding graduating seniors with \$10,000 in total scholarship funds, supporting pathways to college, careers, & beyond. COL brings WI's educators, families, elected officials, & allied community members together for a night of community building & fundraising for LGBTQ+ youth.

Safe Schools, Safe Communities Conference (SSSC)

Help educators & other adult allies advance the safety & well-being of LGBTQ+ students statewide. This Fall convening includes specialized workshops & key-note speeches by nationally-recognized LGBTQ+ educators, advocates, & authors.

Online Quilt & Fiber Arts Auction

Engage local & national allies in this week-long fundraiser right before the holidays. Quilts & fiber arts have long been a part of liberation movements. This fundraiser allows donating artists & bidders alike to directly advocate for LGBTQ+ youth.

Leadership Training Institute (LTI)

Send an LGBTQ+ high school activist to our hallmark annual 4-day summer camp! Every year since 2005, 35 new campers from across Wisconsin have come together to connect, create, & sharpen their social justice analysis skills (1,000 campers total!).

2026 IMPACT PARTNER

COMMITMENT LEVELS & BENEFITS

"I made a specific decision to give to GSAFE during The Big Share because of the bold-faced attacks on LGBTQ+ people. It matters to me that people are able to express the fullness of themselves."
